FOR SALE. LARGE TRACT OF FARMING AND TIMBER LAND.

As executor of the will of Dr. J. P. Gilliam, deceased, I offer for sale, privately, the tract of land on which he resided and the adjoining tracts owned by him, containing altogether 1,854.45 acres by recent survey.

This land lies in Chesterfield County, Va. on the north side of the Appomattox River, which bounds it for several miles, near the village of Winterpock, and about fifteen miles from Chesterfield Courthouse, twenty miles from the city of Petersburg, and twenty-five miles from Richmond city.

The dwelling is a good two-story frame building of seven rooms, with kitchen sitached. Near it are a good servants house, smokehouse and storeroom; also large barn and stables and apple orchard. There are four other settlements at a distance from the house, on different parts of the land, occupied by tenants.

About 455 acres are lowgrounds.

ments at a distance from the house, of different parts of the land, occupied by tenants.

About 455 acres are lowgrounds, nearly all of which, and a part of the high land, are in a good state of cultivation, producing wheat, oats, hay, corn, tobacco and other crops.

About 700 acres are partly in pine and partly in oak timber, suitable for lumber and railroad ties, lying from two and one-half to four miles from the Tidewster and Western Railroad, and nearer the bed of an old branch of that railroad, which formerly ran to Epps's Falls, on the Appomattox River. The quantity is ample to attract manufacturers and dealers.

The land lies in the famous Richmond coal basin, and there are on it signs of coal underlying it.

Woodrow Wilson is not among the great majority of politicians and business men, otherwise exhaults woodrow Wilson is not among the great majority of politicians and business men, otherwise exhaults characters, who believe that the end justifies the means, who are honest in a commercial or political sense.

The candidate of the progressive voters of the country not only does not believe in the document anything to win," but he insists on plain old fashioned honesty in every detail of his campaign.

Woodrow Wilson proposes to win on the merits of his candidacy and platform or not at all.

"Clean hands or no fight" is Wilson's ultimatum to his supporters throughout the country.

No Tainted Money For Wilson

Not a dollar of questionable money will be spent to elect Woodrow Wilson.

The Democratic National Committee is heart and soul in accord with the candidate's views And the corrupting influences, with no political faith, casting about to win a foothold in the new government with bribes of ill-gotten gains, have despaired of reaching Wilson or his campaigners.

They have gone to the enemy, whoever that enemy may be. It is a matter of common knowledge that Interests? are using all their political funds to defeat Wilson.

What the American People Need to Know The people have constantly made the mistake of believing that this is a money-ridden nation.

Such is only the case insofar as the People fail to get together and so permit the few to control the dishe

The People to Fight With THEIR Dollars

Of course, you can—and you are glad to support the cause in this way.

Practically every voter can afford to give \$1 to aid the Wilson Campaign. A great many can give \$2. A great ye can give \$5. And there are lots and lots of progressive voters who will be eager to donate from \$10 to \$20. These are the kind of contributions we want.

And we will be proud to receive from thousands, who can only afford \$1, their \$1 contributions. We want to every man who has a dollar to give.

This year the man with the dollar most detent the government traducer who spends his thousands.

Then send your list with the money to C. R. Crane, Vice Chairman, Plannee Committee, Democratic National Committee, 900 Michigan Avenue, Chicago, Illinois.

No loyal Wilson man can do more than this to assure Wilson's -ictory at the polls in November.

This year a popular president is to be elected with the People's money.

The Woodrow Wilson Campaign Fund is to be collected from the rank and file of the Progressive Veters

The bills of the Democratic National Committee are to be said, net with the thousands of the Interests, but with the individual dollars of the earnest, cager voters who desire clean, efficient government and who are willing to help Wilson as he wants to be helped.

But we have to tell the voters of the country about Weedrow Wilson. We have to tell them what he has due.

We have to tell them what he stands for. We have to point out to them the important planks in his platies. All the means that to hold up our end we will be obliged to spend as much money as those who oppose us.
